Subject: Recent Heat Emergency at VA Medical Center

Dear John Kelliher,

I would like to extend my sincere gratitude to you and your staff for the exemplary effort and resulting successful outcome during the recent heat emergency at the VA Medical Center.

Not only did you provide the temporary heat that was so desperately needed to prevent total disruption and discomfort of the hospital patients, but you did so at a significantly reduced rate for the VA.

On behalf of the VA, the patients, and The Aulson Company, we are very grateful for your extraordinary contributions, and look forward to working with you again soon.

Regards,

Alan P. Aulson, Sr.
