Press release

Polygon expands into Fire Damage Restoration in Sweden

Polygon has acquired Caliber Sanering Sverige AB. The acquisition is an important strategic step in Polygon Sweden's service expansion and to maintain our leading position in the Nordics.

"Polygon and Caliber have complementary strengths and I see a very good strategic fit with the companies. Thanks to the acquisition of Caliber, we can now offer a full range of Property Damage Restoration Service to our Customer in Insurance, Managed Property and other key customer segments", says Thomas Perman, Country President of Polygon Sweden.

The acquisition of Caliber also gives Polygon the opportunity to strengthen our offering in Major & Complex Claims. With key resources from Caliber, Polygon now offers First Aid services to act immediately when disaster strikes. Thanks to our strong expertise and resources from our Centre of Excellence in Germany, we can offer unparalleled skills and capacity to handle Major & Complex Claims in Sweden for insurers and large industrial clients.
