Polygon acquires Refix Skadesanering AB in Sweden

Following the acquisition of Caliber Sanering Sverige AB on April 1, Polygon continues to strengthen the fire service line in Sweden with the acquisition of Refix Skadesanering AB on October 1. The acquisition will add 30 permanent employees and a significant numbers of temporary employees and annual sales of 30 million SEK.

Refix Skadesanering AB was founded in 1987 and has a strong focus on quality and customer satisfaction, which is in line with how Polygon wants to be perceived by customers. The company also shares Polygon's core values integrity, excellence and empathy. During the last 3 years Refix has had a strong growth and gained several market shares in the Stockholm area and the acquisition will broaden Polygons customer offer in the Stockholm market.

"I am very pleased to be part of Polygon's large organization, we share the same values and now we will be able to offer our customers comprehensive property damage services," says Alexander Marklund, CEO of Refix Skadesanering AB.

"The acquisition of Refix Skadesanering marks and important milestone in Polygon's strategy to develop national Fire Damage Restoration services in Sweden. We would like to warmly welcome the employees of Refix to the Polygon family says Thomas Perman, Country President of Polygon Sweden".
